GOALS WRAP-UP

What a great conference on such a beautiful campus. Thank you to our hosts SAOC for inviting us to central Alberta. The work we accomplished during this conference has set our year in motion! The research and campaign crafting is well underway at home office and we're getting excited for Advo week in November!

"Who knew when we arrived we'd be sitting on top of a Gold(s) mine."

Dalton Ehry

Communications Coordinator

Choosing our goals is no easy task. As you found out, there are many issues within Alberta's Post Secondary Sector, and on each of your campuses. Thankfully we were able to narrow our priorities down to tuition, meaningful consultation, and work integrated learning. Home office is excited to see where these goals will take us this year and we're excited to see what you all can do in an advocacy meeting!

CONTESTS

Frequently Asked Questions

We're looking to add a FAQ page to our website, and visual media portfolio but we need your help. Please submit any FAQ's about ASEC from your campus [here](#).

Public Newsletter Naming Contest

ASEC is going public! To increase our reach, we're adding a public facing newsletter that will be released three times a year. As snappy as "ASEC Public Newsletter" is, it needs a real name, and we're giving you the opportunity to name it! Follow this [link](#) and submit your answers by September 15th.

STUDENTS ASSOCIATION OF THE YEAR

The Students' Association of the Year is a peer, or self-nominated friendly competition intended to highlight and promote the fantastic work at our Students' Associations.

The Selection Process

A lottery will be used to select the three candidates to be highlighted throughout the year (September 30, January 31, and May 1). To increase your chances of winning the Students' Association of the Year, select any qualifying characteristics below that apply to your nominee. The more characteristics that apply to your nominee the more lottery entries will be given. Nominations open at the Goals Conference in Olds and will remain open until March 1, 2023.

During AGM the nominated SA's will be given time to highlight their SA to membership and a secret ballot, conducted by the members, will be held to choose the winning Students Association.

In the case of multiple nominations, the nomination package with the most qualifiers will be used in the lottery. Nominees may be resubmitted with additional qualifiers throughout the year. An SA can only win the lottery once a term.

Unsuccessful nominations will remain in the draw until the final nominee is announced on March 1st.

Prizes

Nominated SA's receive a highlight in ASEC's public-facing newsletter and highlights on ASEC's Social Media platforms.

The winner of SA of Year, as voted on by their peers, will be given the ASEC Cup.

CASTING CALL!

Commercial shooting never stops!

Dalton is looking for 3-6 Students in Edmonton to do a photo/video shoot on the Legislature grounds. The theme of the shoot is "preparing to enter the building for advocacy meetings."

Because actual advo week is stressful, busy, and during the winter we'd like to get the exterior shots during the summer while the space is at its most beautiful!

Potential shooting dates are August 15-19, time to be determined later.

If you are interested in being a part of the commercial, please reach out to Dalton on Discord or through Email.

Two Surveys were sent to Executive Directors on Monday, July 25th, These surveys are intended to be completed as a team. If you haven't received the email with your survey links, please reach out to Dalton ASAP.

LEADER OF THE MONTH

The July Leader of the Month is Alysha Kuntz, President of SAMHC.

Alysha is one of few returning Student Leaders in the province this year. She is thoughtful, insightful, and very passionate about the International Student experience on campus.

Alysha brings a cheerful disposition to every interaction, and we very much appreciate her contributions to the meaningful discussions that took place during the Goals conference.

Congratulations to Alysha on being July's Leader of the Month.

To learn more about Alysha, check out her interview on ASEC's Podcast, [Advancing Education](#). Now on [Spotify](#) & [Apple Podcasts](#), and [Youtube](#).
